Further to my telephone conversation with a formalities Officer of the PCT Receiving Division today, please find enclosed a copy of our original letter, dated February 21, 2007, with a copy of the fax cover page as originally sent, the message confirmation page, and a copy of the Auto-Reply Facsimile Transmission, received from the USPTO. It appears as if our original submission did not get scanned in or is missing and therefore, we are transmitting it again.

We look forward to receiving a Corrected Filing Receipt and Notice of Acceptance in due course as well as that the USPTO database has been updated with the correct Agent of Record.

Yours very truly,

SMART & BIGGAR

Dear Ms. Lewis Baltimore:

Re: United States Patent Application No.: 10/581,752  
Inventor(s): Bhavana A. Deore, et al  
Current Owner(s): BHAVANA A. DEORE, ET AL  
Title: "A Switchable Self-Doped Polyaniline"

Further to our submission of December 20, 2006, Applicant respectfully requests a Corrected Filing Receipt and Notice of Acceptance be issued on the above-identified application to correctly identify the Agent of Record. Our submission of December 20, 2006 included a new Power of Attorney and Correspondence Address Indication Form which appointed practitioners associated with the customer number 07380, and, in this regard, we also request that the USPTO records be updated with this change.

The error was introduced by the USPTO and therefore no fee is submitted with this Request as the error did not originate with the Applicant.

We look forward to receiving the Corrected Filing Receipt and Notice of Acceptance in due course as well as confirmation that the USPTO database has been updated with the correct Agent of Record.

Yours very truly,

SMART & BIGGAR
